We would like to acknowledge Dave Maskell's nomination for the ADA&C award. The Distinguished Medal of Service award was presented May 26, 2017 in Jasper. Thanks so much to his students that nominated him for such an honour. Congrats Dave!

Glove exchange:

We have Extra Small Gloves! And way too many of them...

We are asking our members that use this size in their clinic if you would consider an exchange : two boxes of the extra small in exchange for one box of any other size (latex free only please).
